SUMMARY OF EXPERIENCE AND QUALIFICATION:-

I am an avid user experience specialist skilled in interaction designing, information architecture, usability and development. I have experienced working in all stages of the product life cycle, from conception of design, development and validation. I work well with cross functional, collaborative teams and I am effective in bringing user-centered design methods to the table. I enjoy designing and developing simple and usable experiences. I have core technology skills using a variety of design and development tools like:-

TECHNOLOGY SKILL

INDUSTRY WORK EXPERIENCE :-

WIPRO (2021 - PRESENT), Position: Software Developer

(Core Focus : UI / UX and Angular Framework)
